To

The Financial Secretary to the Government of Mysore,
BANGALORE.

Sir.

In forwarding herewith copies of letters No. 2263/559 dated 22-9-1914 and 5676 dated 27th January 1916 from the Comptroller re travelling allowance claimed for the Police Officers and men of the Bangalore City and District Police on duty in my camp, I have the honor to state as follows:--

2. The travelling allowance of the above individuals had been included in the original travelling allowance bills of the Executive Establishment of my office for October and November 1913 and the same was audited by the Comptroller.

3. But, when enhanced rate of batta (sanctioned in G. O. No. J. 2200-1/Police 92-13-4 dated 4-2-1914 in connection with the Viceregal Visit) was similarly claimed for these individuals in the supplemental travelling allowance bills of the Executive Establishment for October and November 1913, the same was objected by the Comptroller on the ground that the claims should be prepared in the

bills relating to the Establishment to which they belong. Accordingly separate bills were prepared and sent up for audit, but the same were again returned with Comptroller's letter No. 5671 dated 27-1-1916 urging sanction of Government for withdrawing men for work in my camp.

4. In this connection I beg to state that it has been the invariable practice to withdraw men from the District or City as exigencies demand to accompany the Inspector General during tours of inspection etc. especially having in view the special aptitude of the men with such experience in the special duties which they are accustomed to perform. Whenever such case arises it is customary to pay advances to these men from my office and recoupe the same from their travelling allowance claiming in the the bill of the Executive establishment of my office.

5. But the Comptroller has now for the first time asked for sanction of Government for such course and I request that Government may therefore be kindly pleased to sanction the same.

6. The travelling allowance bills of the Bangalore District and City Police establishments for October and November 1913 for the amounts noted in the margin are enclosed ~~for~~ ~~enclosed~~ for favour of sanction under Articles 5 and 293 Civil Account Code and transmission to the Comptroller for audit.

(1) The circumstances under which advances were made to the City and District men in your office instead of by the Superintendents of the Districts concerned, may be intimated, if they were actually working in your office during that period, sanction of Government is necessary for withdrawing men from their regular duties for work under you.

(2) If experienced and intelligent men are required for detective and C.I.D. duties in camps, the men in C.I.D., ought to have been drafted on for this work.

(3) If the men were not actually on duty with you for the period in question, separate bills may be caused to be prepared and forwarded to this office for audit.
